Prelicensing education is good for one (1) year. You must complete the examination and the licensing process within one (1) year of the education completion date on this certificate. For an education waiver, see below.

Waiver Expires: 2/28/2017	License History Received From: ID
----------------------------------	------------------------------------------

Prior licensure in another state or jurisdiction requires submission of a certified license history (education, examination and licensure) directly to the Utah Division of Real Estate from each state in which you have been licensed.

If a waiver has been granted on education and/or testing, you must complete the entire licensing process prior to the expiration date of the waiver. A one time extension of a waiver will be granted but not without first providing to the Utah Division of Real Estate a new license history that is less than 30 days old.
